

oilfino Econ 7400 20W-50

DESCRIPTION

oilfino Econ 7400 20W-50 is a Super High Performance Diesel (SHPD) engine oil for heavily used engines, mechanically as well as thermally, with and without turbocharging. It offers reliable cold start performance at low outside temperature and assured lubrication at high operating temperatures. Selectively chosen additives secure usage at extended oil change intervals and reduce maintenance costs.

PROPERTIES

oilfino Econ 7400 ensures wear protection and excellent engine cleanliness by selectively combining high-quality base oils and additives. Great protection against bore polishing helps to avoid excessive oil consumption and the excellent cleaning and sludge carrying capacity prevents formation of black sludge. Due to excellent oxidation and temperature stability safe operation even under extreme conditions and extended oil change intervals according to manufacturer specifications are provided.
