

oilfino Via Eco LL 0W20

DESCRIPTION

oilfino Via Eco LL 0W20 is a synthetic motor oil for petrol and diesel engines that meet the strict requirements of the EURO emissions standard 6 meet. The product was specially developed for the vehicles of the VW Group and impresses with its particularly fuel-saving Properties as well as very high thermal resilience. The product is not backwards compatible.

PROPERTIES

- Long service life of exhaust gas aftertreatment systems such as DPF (diesel particle filter) due to the reduced ash-forming content Components
- Extended oil change intervals of up to 30,000 km or two years in accordance with the manufacturer's instructions in the maintenance instructions of the vehicle
- high potential for fuel savings due to the reduced high-temperature viscosity (HTHS)
- Optimized soot-carrying capacity thanks to the modern additive technology

SPECIFICATIONS

- ACEA C5

PERFORMANCE LEVEL

- VW 508.00/509.00
- Porsche C20
